The screenshot shows the GitHub account creation preferences step. It features a list of seven checkboxes for selecting interests: 'Creating a website with GitHub Pages', 'Collaborating with my team', 'Finding a project to contribute to', 'School work / School-related project', 'The GitHub API', 'I don't know yet', and 'Other (please specify)'. Below this list is a text input field with the label 'What are you interested in?'. Under the input field, there is a prompt: 'What languages, frameworks, industries, or disciplines are you interested in?' followed by an example: 'e.g. privacy, postgresql, documentation'. At the bottom left, there is a green 'Submit' button, and next to it is a link that says 'skip this step'. In the bottom right corner, there is a green banner with the text 'wikiHow to Create an Account on GitHub'.
